

YOU ARE HERE!

HERE: home, library, beach, park, inside, outside, Tiverton, not Tiverton, Rhode Island, New England, this country, another country, this planet, another planet, today, yesterday, tomorrow, anytime, anywhere your mind can take you.

Explore wherever you would like to be this summer. Begin with books, music, magazines, movies, comics, anime, and manga in the teens' collections at Essex and Union Libraries, include workshops and activities and let your imagination take you anywhere and everywhere.

SIGN UP!

Come to the Community Center, 346 Judson St., on Tuesday, June 28, from 3 p.m. to 7 p.m. to register for the program and sign up for the workshops and activities. Members of ETC, the library's Teen Advisory Council, will be there to talk about the program and answer questions about the workshops. Registration will continue throughout the summer. If you can't attend this registration day, visit Essex Library or call 625-6796 ext. 14. Pre-registration is required to attend all programs. Participation is free, and all teen readers are welcome. Preference will be given to Tiverton Library patrons when seating is limited.

START READING!

Starting on June 28, read any books you choose, anywhere you choose to read them. For every 30 minutes spent reading, you get a raffle ticket that can be used for a chance to win one of many exciting prizes. The more you read, the more chances you have to win. Winning raffle tickets will be drawn at the finale.

WORKSHOPS AND ACTIVITIES!

Programs will be held at various locations. Please see each individual activity for its location. Workshops/activities have enrollment limits. Participants must be pre-registered.

ANIMATION: THE ART AND SCIENCE OF VISUAL PERCEPTION

RIMOSA (RI Museum of Science and Art) helps us make stop-motion films as we learn about "persistence of vision" – the name often given to the way the human brain blends sudden changes into smooth motion. It is this interpretation by our brains that makes movies possible. Working in small groups, we will make stop-motion films to be premiered at the end of the summer.
