

AARP Tax-Aide

FREE TAX PREPARATION SERVICES

AARP Tax Aide volunteers will be available at nine sites throughout Newport County to provide free income tax preparation, beginning the week of February 1. AARP volunteers are certified by the US IRS to prepare most common RI and MA returns for low and moderate income taxpayers. Other state returns may be prepared, depending on complexity. All Returns are Quality Reviewed and electronic filed. Refunds are usually received within two to three weeks after filing. All of our sites are walk in, with sign up sheets.

Please bring the following items. Picture ID, copy of last years return, or Social Security Card for all dependents, Income Documents (W2, SSA, 1099, Brokerage statements), Deduction Documents (mortgage, taxes, itemized expenses, IRA contributions), Credit information (energy, education, child care), a copy of bank check for direct deposit, and other items as necessary.
